19th January 2005

NEWSLETTER 19

2005 IS THE YEAR OF SPORT AND PHYSICAL EDUCATION

BIRTHDAYS: Christie Reid has turned 16 this month. Happy Birthday.

The Windup for the 2004 season was held at the picturesque Devereaux Polo Field in the Chittering Valley on the 16th of January. 95% of our members were there, plus some South Midlands members, volunteers who helped at the State Championships, sponsors, friends, and of course the polo players and their supporters. The weather, venue, polo, and company was perfect for a great day out. Thank you Devereaux.

TROPHIES:

Trish Hall donated all the trophies which were of the highest standard and great if you won one!

FAIREST AND BEST:

- A Grade: Beau Bettens
- B Grade: Phil Day
- C Grade: Liz Verheyen
- D Grade: Luke Reid
- E Grade: Rachel Day and Tia Hall
- Junior: Sharna Hall
- Boot Polisher: Barkley Day

MOST IMPROVED PLAYER OVER ALL:

- Liz Verheyen and Kate Newton

BEST PRESENTED PLAYER AND HORSE:

- Barney Langford

MOST VALUABLE CLUB PERSON:

- Mary Day

VOLUNTEER OF THE SEASON:

- Senior: Norm Paxman
- Junior: Christie Reid

Mary day was also presented with a certificate with CLUB CHAMPION written on it. This was not for being a champion polocrosse player but for coordinating the club. This cannot be done without the support of all the club members, volunteers, and good governance at club and state level. Thankyou to you all. You should all give yourselves a pat on the back.

WHO SELECTS THE WINNERS OF THROPHIES

The club captain asked the selectors to pick who they think should receive the trophy for each category, and she does the same. The names are then submitted to the captain. If there is a difference in the names they then discuss it together. All names came in the same except for two. It was then discussed and decided.

MEETING

Committee meeting on the 2nd of February at 19.30 at the club rooms.

Positions on the PAWA are open: Please let me know as I need your signature.

Notice of motions: Send to me

Proposed date for carnival and or carnivals: Take note that the Horse Expo is on the 1st to the 3rd of October and the National Jumping is the 6th to 9th October.

Our AGM will not be until March, but if you have any motions for that please forward to me.

I have a couple of ideas to think about:

- New club shirts. I have a sponsor but he wants the shirts in his colours. Long serving members might not like the change. I will try and have a sample by then.
- Which means if it goes ahead the constitution will have to change.
- Volunteer Coordinator is needed and I have one of our members interested, but they will have to be on the committee. I would like it in the constitution that we have the volunteer coordinator on the committee.
- The club needs to have a three year plan at least.

NATIONALS 2008

I have copies of the bids if anyone wishes to view them.

GENERAL

If anyone is taking horses in or out of WA, I have a copy of the new regulations on liver fluke.

Things To Do:

- New Line Marker. Our lines people were too busy.
- Sand on fields
- Finish scoreboards
- Fix the little donger up
- Shift the pump before some one else does.
- Any ideas send to me.

ENJOY HEALTHY EATING HAVE A GO DAY:

Am waiting for replies from the pony clubs before I will start coordinating. If you know of anyone interested to participate let me know or forward me their contact details and I will contact them.
